## **KIMS COLLEGE OF NURSING**

KIMS College of Nursing is established in 2006. The College is affiliated to Government of Kerala, Indian Nursing Council, New Delhi, Kerala Nurses and Midwives Council, Trivandrum and Kerala University of Health Sciences, Thrissur. Our emphasis is on value education, intellectual and clinical training of the students so that they can excel in their nursing career.

### **PHILOSOPHY**

Excellence in Nursing: One goal. One Choice

#### **Mission and Vision**

The mission of KIMS College of nursing is to provide an academically challenging quality education at par with global standards to prepare future nurses to extend evidence based nursing care with courtesy, compassion and competence. The faculty of College of nursing is responsible for the quality of the educational programs for the promotion of safe nursing practices through effective teaching, service and collaboration with other professionals and consumers of care. The philosophy of our College of nursing encompasses with philosophy of human life, Philosophy of Nursing and philosophy of education.

#### **Philosophy of Human Life**

We believe that each person is a unique being worthy of respect, with a personal history, intrinsic value, and a right to influence her/his destiny. Humans are integrated beings consisting of biological, psychosocial, cognitive, and spiritual aspects. Each individual is a part of the culture of her/his family, other groups, communities, and the larger society. Human beings share certain common characteristics are interdependent and have a need for social interaction.

#### **Philosophy of Nursing**

We believe that nursing is a systematic, deliberate caring process involving individuals, families, and communities in promoting health, reducing risk, preventing disease, managing illness, and supporting clients in all phases of living and dying. This process is based on a unique combination of knowledge, skills, and attitude that conglomerate the professional values of caring, respect, and a commitment to social justice.

#### **Philosophy of Education**

We believe that education is a life-long process, encompassing intellectual and life experiences that affect personal development. This process is best achieved in a milieu that recognizes the worth of the individual and fosters mutual inquiry. University education promotes intellectual development, assists the individual in finding a way of life. that is consistent with fulfilment of one's own needs, and enhances one's ability to serve society. It provides individuals with a broad knowledge base and skills to think critically, communicate effectively, develop self-understanding, and adapt to and institute change. Professional education builds on this general educational base and provides individuals with a specialized body of knowledge and expertise.

## **COURSES OFFERED**

- BSc Degree in Nursing - **90 seats**
- MSc Degree in Nursing - **10 seats**

## **UNIQUE FEATURES**

- Institution with excellent infrastructure
- 500 bedded Multi speciality tertiary care parent hospital
- Qualified teaching faculty as per norms.
- Student Faculty Norms as per 1: 10 ratio
- Well equipped laboratories
- Active Guidance and Counseling Cell
- Study Scholarship
- Well stocked and spacious library with advanced technology
- Provision of Medical Insurance to students up to Rs. One Lakh / year
- SNA / NSS /Alumni Units
- Provision for placements
- Assistance in placement in GCC countries

## **ADDITIONAL TRAINING**

- ACLS /BLS Certification programme
- Language training
- HIS training
- Mentorship facilities for students
- Personality and leadership development training
- Provision for research activities
- Skilled training for graduates.
- Defense training
- Yoga
- Journal club
- Training on AV aids preparation

## OUR PATRONS

**Dr. M.I. Sahadulla**

Chairman & Managing Director, KIMS Health Care Group.

**Prof. Dr. G. Vijayaraghavan**

MD, DM, FRCP (Edin & Lon) FACC,  
FACP Vice Chairman & Whole-time  
Director, KIMSHealth.

**Dr. Zuhara PM**

Director- Emergency Medicine &  
Co-Ordinator Family Medicine,  
KIMSHealth

**Dr. Sheriff M. Sahadulla**

Group Chief Executive Officer  
KIMSHealth.

**Dr. Saffia P M**

Vice- Dean  
Academics, KIMSHealth.

**Dr. Susan Jose**

Principal  
KIMS College of Nursing

**TITLE OF COURSE**  
**BACHELOR OF SCIENCE IN NURSING – Abbreviated as B.Sc. Nursing**

**AIMS**

The aims of the undergraduate BSc. Nursing program are to;

1. Produce knowledgeable competent nurses and midwives with clear critical thinking skills who are caring, motivated, assertive and well-disciplined responding to the changing needs of profession, healthcare delivery system and society.
2. Prepare them to assume responsibilities as professional, competent nurses and midwives in providing promotive, preventive, curative and rehabilitative healthcare services in any healthcare setting.
3. Prepare nurses and midwives who can make independent decisions in nursing situations within the scope of practice, protect the rights of individuals and groups and conduct research in the areas of nursing practice and apply evidence- based practice.
4. Prepare them to assume role of practitioner, teacher, supervisor and manager in all healthcare settings.

**OBJECTIVES**

On completion of the B.Sc. Nursing program, the Nursing graduates will be able to;

1. Utilize critical thinking to synthesize knowledge derived from physical, biological, behavioral sciences, and humanities, in the practice of professional nursing and midwifery.
2. Practice professional nursing and midwifery competently and safely in diverse settings, utilizing caring, critical thinking and therapeutic nursing interventions with individuals, families, populations and communities at any developmental stage and with varied lived health experiences.
3. Provide promotive, preventive and restorative health services in line with national health policies and programs.
4. Integrate professional caring into practice decisions that encompass values, ethical, and moral and legal aspects of nursing.
5. Respect the dignity, worth, and uniqueness of self and others.
6. Apply concepts of leadership, autonomy and management to the practice of nursing and midwifery to enhance quality and safety in health care.
7. Utilize the latest knowledge and skills related to information and technology to enhance patient outcomes.
8. Communicate effectively with patients, peers, and all health care providers.

9. Utilize the requisite knowledge, skills and technologies to practice independently and collaboratively with all health professionals applying the principles of safety and quality improvement.
10. Integrate research findings and nursing theory in decision making in evidence-based practice.
11. Accept responsibility and accountability for the effectiveness of one's own nursing and midwifery practice and professional growth as a learner, clinician and leader.
12. Participate in the advancement of the profession to improve health care for the betterment of the global society.

## **REGULATIONS**

### **UNIVERSITY EXAMINATIONS**

#### **Eligibility to Appear for Examinations**

A candidate must have a minimum of 80% attendance in theory and practical in each course / subject for appearing for University Examination. A minimum of 80% attendance in all the non-exam going subjects in the concerned semester also is essential for registering a candidate for the university examination.

#### **Condonation of Shortage Attendance**

- The condonation of shortage of attendance of a candidate to a **Maximum of 10%**, for subject/ subjects (in theory or in practical or both) can be granted once only, during the entire course period.
- The Principal/Head of the Institutions are empowered to grant condonation for shortage of attendance on recommendation by the HOD/ under intimation to KUHS on genuine grounds only. In such cases the Principal shall submit a declaration that the particular candidate has not enjoyed this facility previously in the particular course.
- There shall be a register for recording the Condonation availed in the office of Principal. However, a candidate must have to complete 80% of attendance in each of the theory and 100% attendance in each of the practical areas before award of Degree.
- A candidate must have to complete 80% of attendance in each of the theory and 100% attendance in each of the practical areas before award of Degree.
- The candidate must secure 50% marks for internal assessment in theory and practical, wherever is applicable in order to be eligible to appear in the university examination of the subject. Minimum pass mark shall be 40% for Communicative English and Elective modules.

- The candidate shall appear for University examinations at the end of each semester:
  - i. The candidate shall have cleared all the previous University examinations before appearing for University examinations at the end of fifth semester and before appearing for University examinations at the end of Seventh semester. However, the candidates shall be permitted to attend the consecutive semesters.
  - ii. The candidate should clear all the previous examinations before appearing for final Semester/ (Eighth Semester) examination.
  - iii. The maximum period to complete the course successfully should not exceed 8years.
- The Principal / Head of the institution shall submit Attendance Certificate of eligible candidates at the time of registration for examinations in each semester.

#### **Schedule of Regular/Supplementary Examination**

- Examinations shall be conducted as per the schedule approved by the Board of Examinations. Regular University examinations will be conducted at the end of each Semester.
- Supplementary examinations shall be conducted along with the End Semester University examinations. However, for ensuring the supplementary chances for failed students, University examinations of different subjects shall not be scheduled on the same date.
- A student who failed in a subject/ subjects may be permitted to reappear in the subsequent end semester university examination.

#### **Scheme of Examination showing maximum and minimum marks.**

- Candidate who has secured a minimum of 50% marks in theory (for internal and university examination separately) and 50% marks in practical (for internal and university examination separately) in a subject, shall be declared to have passed in that subject.
- Candidate who has secured a minimum of 50% marks in aggregate in a Subject/ paper having more than one section shall be declared to have passed in all the concerned Sections of that subject/ paper.
- A minimum of 40% marks shall be the pass mark in Internal / College examination for Communicative English and Elective modules.
- A candidate failing in either theory or practical of a subject has to reappear for both theory and practical of that subject.
- A candidate who passed all the subjects (including theory and Practical) from Semester I to semester VIII and completed 80% of attendance in theory and 100%

of Attendance in practical in each subject shall be declared to have passed the BSc Nursing Course.

### **Internal Examination**

- The students are expected to maintain high academic and clinical standards of performance throughout the programme.
- Regular tests/ formative assessments will be made and recorded.
- During each semester two session exams and model examination will be conducted
- Statement of internal marks is made on the basis of marks obtained from session examinations and assignments.
- The student should strictly appear for the internal tests as scheduled. .
- Parent teachers meeting will be conducted ordinarily two times in a semester. A progress report is maintained in the college duly signed by parent/guardian and student.
- A record of clinical evaluation is made to assess the level of performance of the students in the practical internal assessment.
- A cumulative record is maintained for each student.

### **Clinical Practice / OSCE/ OSPE and Record of practical work**

- Simulation Based learning is a vital part of the clinical practice. A maximum of 13% of clinical hours can be used in simulation lab / skill lab.
- The students will be sent for practice to the parent Hospital and affiliated hospitals as scheduled.
- A record of practical work is maintained to record whether or not she has performed the procedures to the satisfaction of clinical supervisors.
- All procedures should be signed on time as per the instructions. The procedures should be signed by the faculty or authorized staff when the student has done it satisfactorily.
- The record is evaluated at the time of University Practical examination and any malpractices in procedure record like forgery, change of procedure book will be severely punished.

### **Absence and Leave**

- Students are allowed to avail leave on medical ground with prior information. On return they should submit a medical certificate issued by a registered medical practitioner stating full particulars of their illness and treatment.
- In case a student absents herself/himself from duty/class for any reason she/he should inform the class coordinator in the beginning of the day. If the Principal/class coordinator is not satisfied with the explanation regarding her/his absence, the student will be asked to compensate for the number of days she/he was absent at the rate of three days for a day of absence.

- Unauthorized absence from the regular classes/clinical/class test/session examination will be viewed seriously.
- The attendance will be monitored and will be sent to the University every month.

#### **Vacation**

- Vacation is planned as prescribed. However the number of vacation will be shortened based on the academic requirements.
- If the student is unable to return in time for any reason, the parent should inform the authority. However the additional leave will result in compensation.

#### **General Discipline:**

- The student is directly under the disciplinary control of the Principal and should abide by the rules and regulations of the Institution.
- The students should always maintain the standard and decorum of the College through their professional/academic excellence and discipline.
- A SSGP unit is functioning in the College as directed by the University. The advanced and slow learners will be identified and appropriate action plan will be executed.
- Every student is expected to be courteous in talk and behavior at all times .They must use polite expressions like “Thank You”, “Excuse Me”, “Sorry”, “Please” as and when necessary.
- Students must be regular and punctual for lectures, demonstrations, seminars, practical, field work and such other academic exercises. They are required to attend all the allotted working periods in each of the prescribed subjects.
- Every student shall have with him / her text books and note books required for the classes.
- All assignments shall be regularly completed and submitted as directed by the teacher. The assignments are to be hand written.
- Inattentiveness, indifference towards any subjects, antisocial acts towards any member of the staff and colleagues or any act which affect the discipline of the college will be viewed seriously.
- The students shall not indulge in any form of activity, which will bring disrepute to the Institution / and profession.

**GENERAL DECLARATION**

**DECLARATION BY THE STUDENT**

I have read and understood the contents of these pages (one to eleven) and promise to agree and abide by them. In case of any default occurring from my side the authorities and management are given the mandate to execute the suitable disciplinary action. There is no objection for us in College authorities informing the person who sponsored / recommended /given surety for my admission to the College of Nursing (KIMS) in case of any type of indecent, indiscipline or unbecoming act from my side.

Name of the student  
admission:

Batch/ month & year of

Duration of Course:

Full signature & Date:

**DECLARATION BY THE PARENT**

I ..... father / mother/ Guardian of Mr/Ms..... Studying in.....of your college is fully aware, that in the event a charge is made against my ward for violating the Rules and Regulations mentioned in the attached sheets ( page one to eight) College shall take appropriate disciplinary action depending on the gravity of indiscipline and misconduct. I have read and understood the contents of the “Rules and Regulations” provided.
